

WHAT WE DO

FOR PROTECTION AGAINST COVID-19.

Our employees have been trained again regarding all important hygiene rules and specifications of infection protection. We pay particular attention to comply with the behavioural rules.

MASK OBLIGATION

All employees wear mouth-nose protection and have been instructed in the proper use of masks.

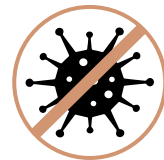

ADDITIONAL HYGIENE MEASURES

were introduced for critical/frequently touched surfaces in the guest area and at the reception desk.

HYGIENE SENSITIVITY

We have removed hygienically critical items from the guest area for your protection.

INFECTION PREVENTION AT THE RECEPTION DESK

We protect guests and employees by installing plexiglass protective screens at the reception desk.

CONTACTLESS CHECK-IN/CHECK-OUT

We have developed a system for the contactless transfer of room keys.

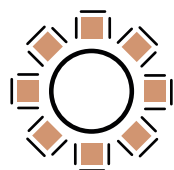

ROOM CLEANING

We refrain from any room cleaning during your stay unless specifically requested.

CONFERENCES

are possible under consideration of the legal requirements.

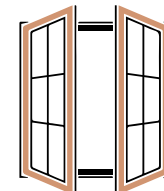

BREAKFAST TO GO

Take advantage of our breakfast offer and enjoy your coffee on the way!

CURRENT INFORMATION STATUS

We inform ourselves daily about the current situation regarding the Corona pandemic and the legal requirements, adapt our hygiene concept accordingly and keep our employees up to date.

VENTILATION

We provide a constant supply of fresh air in the hotel.
